

# RULES

## Start:

 Bush House Auditorium (BHA)

 13:00 – 18th September

- Meet committee,
- Game explanation,
- Teams assignment,

**Go to Team Rooms  
and start!**

### 3 Packs Total:

- Start with 1
- Unlock 2nd and 3rd by solving chains

**PROBLEM  
PACKS**

Unlock chains by  
solving problems;  
complete chains  
for new problems

**Bonus  
Tasks**

Get *tickets* for Bonus Tasks  
from completing problem;  
Get extra points from  
doing them!

**CHAINS**

## End:

**17:30** Hand in last answer sheets/chains

**18:00** Meet at BHA for closing ceremony

# Problem Packs:

Each problem pack has multiple problems and an answer sheet. Hand in the answer sheets so the committee can check your answers.

**Each team has max. 10 checks**

In a check, correctly answered problems will not be revealed. Only the **number** of correct problems will be.

\* Puzzles with ★ are not worth more points but they might take longer to solve!

# Chains:

Chains are essentially treasure hunts with hints hidden around campus.

Clues can be fixed or removable but will all be tagged with the Puzzled logo.

A chain is completed when you gain a *Chain Certificate*.

**To get points and more problems, hand in the certificate and all removable rules!**

\* Incomplete chain clues can be handed in for points

# Pointing & Scores:

The final score will be based on the last answer sheet handed in (even if it isn't the one with the most correctly answered problems).

The points for each problem will be determined based on how many teams solved it.

Points for a full chain is roughly around the same as a set of 15 problems or so (for the full formula, see the boring set of rules).

# Bonus Tasks:

Bonus Tasks are gained similarly to chains. You must complete problems to unlock Bonus Tasks tickets.

However, they don't unlock or block anything else.

# Clues:

If your team is stuck in chains, you can go to the marking hub for clues. Each team has the limit of 3 clues in the entire game.

# Marking Hub:

CUSP Room, 5th Floor, BH(S)5.01

Go there to hand in answer sheets, chain certificates and bonus tasks
